- *well... brum... -*
- *I don't know what he wants to tell me... I don't understand.*
- *It seems to be a car noise... brum brum brum...*
- *What? ... nothing, he doesn't look to me.* -

Brum is a sort of word. It is an object. It is a colour. It is a light... it is!
Brum is that thing which exists before the word, inside there are all meanings, all the substance.

Brum means *I am thirsty.*
